Roy C. Start High School

Toledo, Ohio Vol. III

The expression of a mood
is an honest representation of students
and teachers, as we want to remember them.
The patient face of a teacher,
the enlightened face of a student,
can give to us a portrayal
of mood, that is often difficult
to express with words.
The temperament of people,
of a school,
is determined by the moods they relate.
A smile, a frown, a tear,
portray to us the moods of humor,
tension, triumph.
Cheering crowds at our games,
display of talent at our theatrical productions,
the enthusiasm of our pep rallies,
the leadership of Student Council,
all depict an atmosphere
of eagerness and self-expression
at Start.
Through these reflections of mood
we will see ourselves,
and in seeing ourselves
we will remember Start.

A Solemn Beginning . . .

Well Jean,
It was fun this year, and I hope to see you this summer, too. Maybe at the "Y", county jail, or somewhere! Untill then, be good and don't ever forget the fun we had in typing. See 'ya soon.
Jan Ross

To Janie,

I think you supposed to say something nice in someones yearbook, but nothing about you is nice. You already know your a doll, so I wont say that. You must have a good personality or you wouldn't have as many boy & girl friends as you do, so I wont say that either. I wont say your going to go far, cause your being a candy-striper & reading all those nurse books must prove something. And to sick kids like me complimenting you like I am, how can you help but get a swell head! You answer that one.

Well, I've already wasted a whole page in your yearbook, so I guess I'd better quit pretty soon.

Keep on getting the books, and keep on giving 'em to me to read.

Love Ya.

In groups, couples, alone,
students illustrate different moods.
From the classroom to the hallways,
from the cafeteria to the office,
our school is animated
with a picture-story of STUDENT LIFE.
The natural reactions of students,
in everyday situations, tell us the moods
and feelings of our school.
Whether at a dance, at a football game
in an assembly, crowning the queens, or at
a birthday party in the cafeteria,
the face, the gesture of a student tells
its own story.
This enactment of expression is
a realistic example of our friends,
of ourselves.
Search these faces and you will find tension,
anticipation, satisfaction, reflection,
accomplishment.
Thoughtful, excited, solemn, animated;
the gamut of reactions
achieved from the first floor to the third,
until the school bell ends the day
and the going-home story begins.

Patience equals perfection.

Rehearsals lead to many new friendships.

Start High School presented their first musical, *Carnival,* this year. Mrs. Lillian Casey was director of the production. Mr. Bruce Jacobson arranged the musical scores and Mr. Myron Gerber coached the vocal talents. Long hours and hard work were combined in perfecting *Carnival.* The rehearsals echoed anticipation and tension with the nearing of the opening night. The result was a successful performance.

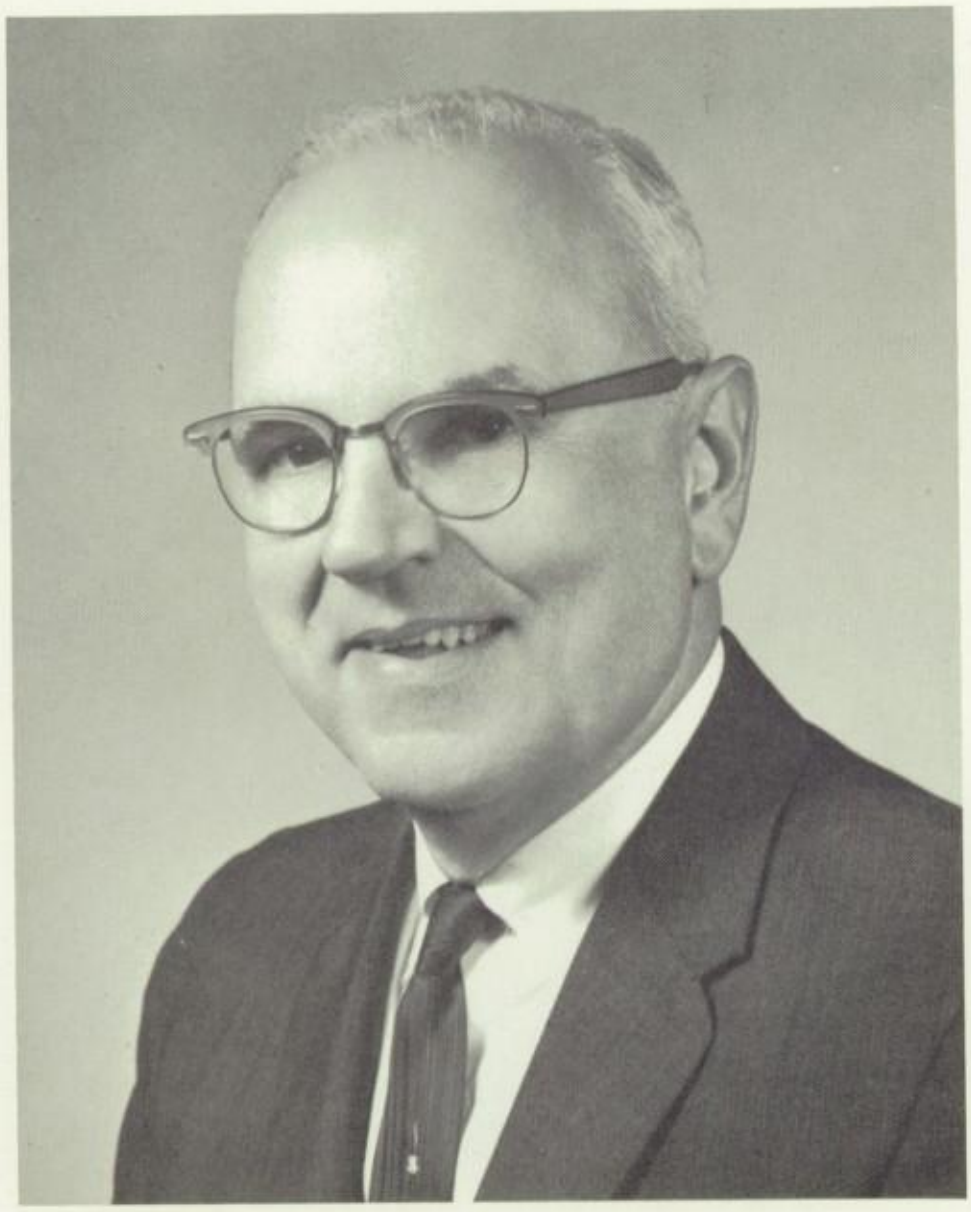
They are cheerful, tolerant,
interested. At times a friend,
a counselor, an attentive guide;
always a teacher,
creative and candid.
The FACULTY *of Start is*
the reassuring spirit of our classrooms,
our achievements, our school activities.
Their faces portray individuals eager to instill,
assert, and pursue.
Each shares his knowledge with us.
Their encouragement
and discipline direct us.
Always questioning us,
often correcting us,
they are versatile in their approach
and their moods.
They lecture, they joke, they tease,
they help us to understand.
They demand the best from us,
yet understand when we are sometimes remiss.
For these things they are deserving of our respect
and our friendship.
We will not forget them.

Philo C. Dunsmore—Superintendent

The Toledo Board of Education is the policy making body for the Toledo Public Schools. The five members are elected every four years. Mr. Philo Dunsmore is the superintendent for Toledo schools. They are dedicated people constantly striving for educational standards.

Toledo Board of Education

J. Arch Anderson—President, William N. Thomas, David R. Rittenhouse, Dr. Morton Goldberg, Carol A. Pietrykowski.



"During our first years at Start we have established a warm cooperative relationship among the faculty, parents, and students. I am confident this friendly association has contributed to the overall growth of our school and community. The faculty has accepted the challenge of providing the best educational structure in which our students can achieve the fullest use of their capacities and potential."

Christian R. Thomson—Principal

A time to work . . .

A time to relax . . .

Mrs. Mary Houser feels there is a spirit of unity and pride developing at Start. The administration, faculty, and students are beginning to feel a loyalty to the purposes and high goals which Start claims as her Alma Mater. There is also a wholesome attitude of respect for the accomplishments of both teachers and students.

Assistant Principals

Mr. Hilton Murphy feels that the beginning three years of the life at Start High School have centered around the need of the community and the fulfillment of the requirements set by the state, city, and students. Mr. Murphy said that the administration has provided a challenge to students to seek worthy achievements.

Mr. Robert Longley anticipates Start becoming one of the top schools in both academics and activities in the area. Mr. Longley also said, "The mood of Start students is one of desire for individual success and an eagerness for worthwhile group projects. The students are spirited and have a strong allegiance to Start."

Mrs. Margaret Kendall remarked that the first few years in a new school is a time of change. She feels the mood of the student body is one of confidence and pride. "The student body is to be congratulated for their fine support."

Guidance Counselors

Mr. David Kuebbeler stated that spirit and enthusiasm were the basis of the continually changing mood of Start. Mr. Kuebbeler thought the students and faculty show a deep sense of loyalty to the school and its developing tradition.

Mrs. Dorothy Smith said the mood of Start from the community aspect is one of enthusiasm and appreciation for Start. This has become evident in many ways through their response and participation concerning school functions.

ACTIVITIES *are an important part*
of our school life.
They provide interests and fun
outside the class.
The clubs enable us to help
in the organization of large groups.
They give us the chance to do research
nd special interest projects independently.
We are able to plan
and organize activities,
which we enjoy.
Cheerleading, band, and chorus
give us additional activities
in groups we enjoy.
To be a member of honorary groups
we must show incentive
and drive.
These remain as goals
many of us try to reach.
We all enjoy participating
in the activities of our school
and sharing their fun.

The Shield

Anxiety, tension, and excitement were among the moods experienced as the staff prepared the '65 *Shield*. Excitement prevailed as we decided on a theme and general layout for the yearbook. Conscientious and diligent work brought out many new ideas. The meeting of deadlines caused an air of tension and was responsible for many long hours of hard work. One of the greatest thrills came when we received our proofs. Anxiously, we awaited the delivery of the yearbooks. The business staff efficiently carried out a successful yearbook sale. With great satisfaction we proudly say, "This is the *Shield*."

Editors—Phil Gill, Sandy Stewart, Carol Blair, Gabriele Iwanoff, Kathy Bauer.

Mrs. Janet Dorsett, Adviser; B. Goldman, P. Koinis, Editor-in-Chief; N. Heffner.

Galaxy

The *Galaxy* staff under the direction of Mrs. Janet Dorsett plans and publishes Start's school newspaper. The *Galaxy* is distributed bi-weekly. During political emphasis week the *Galaxy* staff published a special issue covering the campaign events. In the spring the first year journalism class put their learning to a test and published a complete issue without the assistance of the senior staff.

Cheerleaders

The leadership and enthusiasm of the cheerleaders has been the spark of spirit at many pep rallies and sport events. The girls spend long hours practicing cheers and learning new ones. At games Start's cheerleaders help build good sportsmanship, which is an essential part of competitive sports. The students and teams of Start owe much to the lively spirited girls who have earned the title of "Cheerleader."

Freshman Cheerleaders—Cheryl Calhoun, Patty Paris, Janice Fought, Nancy Fulton, Karen Senn, Patty Martin.

Lightweight Cheerleaders—Sue Weeks, Margie Kane, Pat McCraken, Sally Burgin, Laura Niles, Pam Kasch.

Practice, perform, repeat;
exercise, train, and try again.
Always alert and skillful
whether playing football, golf, tennis,
or basketball.
SPORTS *is the opportunity*
to achieve athletically
and progress physically.
A coach, the team, and a crowd
provide the chance to show
the loyalty of our school.
Parades, refreshment stands, the excitement
of a win, the disappointment of a loss,
are all a part of sports.
Sportsmanship and pride in your school
are also important elements of athletics.
The patience of the coach,
his drilling, encouraging, and correcting
make possible a good performance.
The players are also patient,
repeating calisthenics,
working towards perfection.
It is this hard work and dedication
which represents Start
and makes sports a valuable addition
to our program.

Varsity Football

The Start Spartans, led by head coach Sam Epstein, completed their 1964 season without a victory. A 6—6 tie with Waite High School, the defending City League Champions, proved to be the highlight of the season. The games didn't lack excitement, most of them being decided in the fourth quarter. The Spartans had the ball on the Bowsher one-yard line in the final seconds of play but failed to score on their arch-rivals.

Jim Heer was voted the Most Valuable Player and Bill Wilson received the Coaches Award. Larry Alexander won the Scholastic Award. All-City selections included Doug Ashbridge on the second team and Gary Bostater and Jim Heer on the third team.

Start supporters turned out in great numbers to see the Spartans play. Start led the league in the sale of student tickets per game.

Bill Wilson gets off a punt.

Gajewski fires a sideline pass.

For the first time in Start's short history the Junior Varsity team, coached by Frank Kralik, and the Freshman team, led by Jerry Bushong had winning records. The Junior Varsity was 6—2 and the Freshman 3—1—2. Both of the records were good for second place finishes in the City League.

The future looks bright for Start football with these excellent prospects moving up to the varsity.

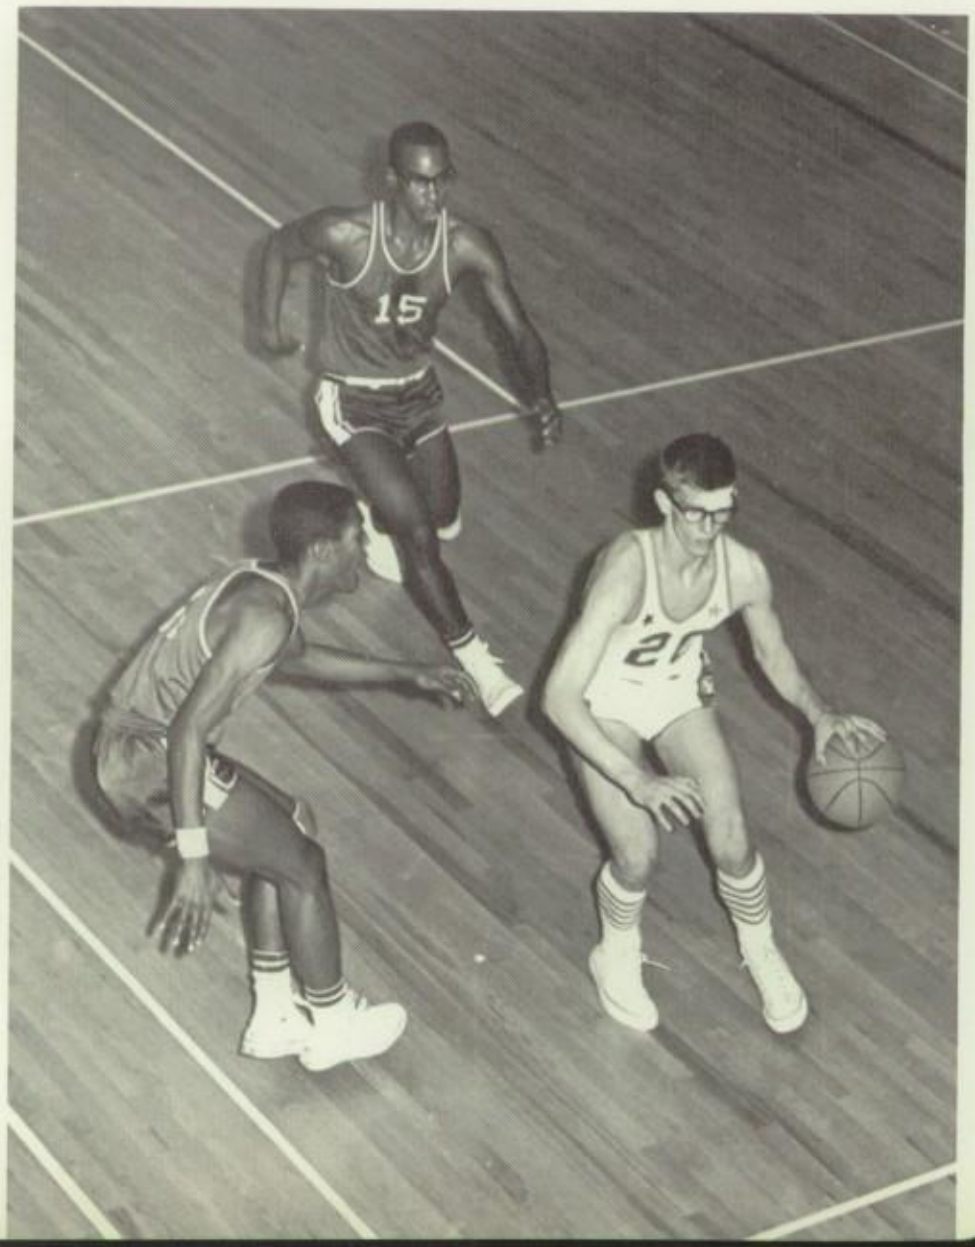
Varsity Basketball

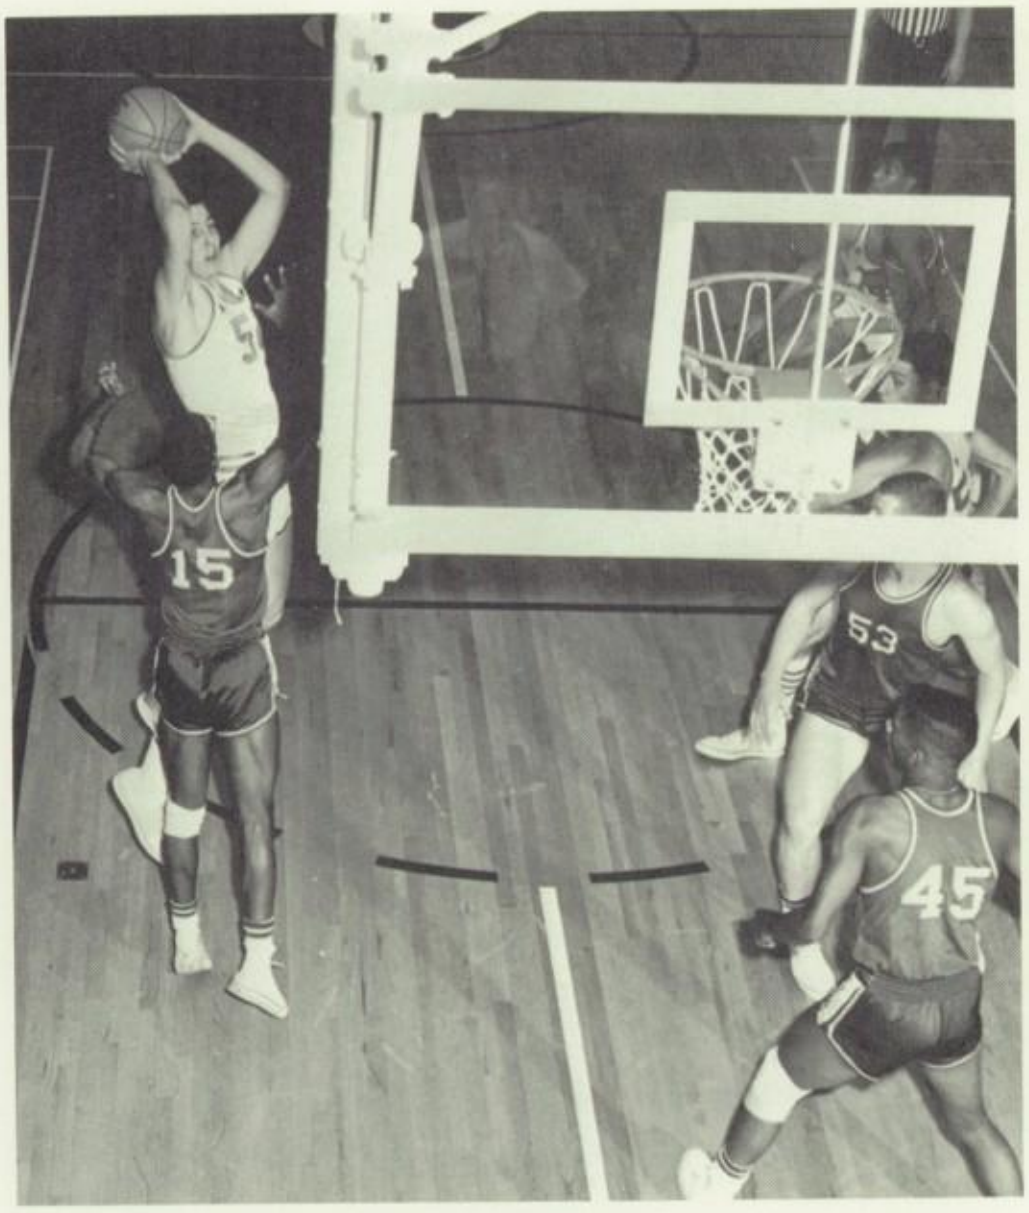
The 1965 Spartan basketball team had an improved season over last year. Although their record was 5—13, the team continued to improve every game. This year was a "building" one for Coach Jim Maher. The team's great bench strength was an asset during the season. Coach Maher occasionally alternated two complete five-man teams. With only two seniors departing, Bud Dey and Lee Gleason, the 1966 season should bring many more victories.

The first city league victory in Start's history was achieved in the Start gym when the Spartans defeated Bowsher 67—63. Another league win over Central closed the season.

Al Peake, the 6′6″ sophomore center started the season slowly but finished with a flourish and ended up among the league's top scorers.

Rick Tober dribbles around the key.





Peake shoots against Woodward.

at least 5 years.
Good luck in the

Bob Abrahamowski '66

A year, a beginning, an end, this year was made possible by:
Powell Photography Studios, their fine service and co-operation;
Mr. Bob Abraham, his skill and everlasting patience;
Mr. Jack Putnam, with a great understanding for our many rush jobs;
The American Yearbook Company;
Mr. Marlin "Gus" Hoverson and his expert advice;
Mr. Bob Blanton, our representative in Hannibal.

To the staff I say thank you. A year we will remember—
Sandy's great composition, "Hector Potash",
Inky's pizzas,
Jo Ellen's scrupels,
Mrs. Sebold,
That sudden bath,
Our Christmas party at Ellen's,
Our great cook, Sandy,
Yawl,
"Dennie's help with layouts" between "yawl" and "Gaye's melba toast",
Gaye's melba toast,
Jim's stomach,
Tom's lost track picture, stories, and layouts,
The mystery of how six grease pencils disappeared,
Who's Junior?
Robin's help in typing,
Gabie's, Phil's, Carol's, and Kathy's half hour visits,
The whole staff for their work on all our deadlines,
and especially Miss Sally O'Callaghan, whose guidance,
understanding, and experience gave us our year.
Relief and regret that it's over.
Thank you all,

Jean
To a girl I
have not gotten
